Introduction

Effective 9/16/2019 the PDP – Adult will be replaced by the Adult Intake – Acute. This job aid will review completing and modifying the Adult Intake – Acute.

Complete an Adult Intake – Acute

Complete all of the required and relevant pieces of documentation. Once all the required sections have been documented, click Complete Adult Intake – Acute

View a Completed Adult Intake – Acute

Once an Adult Intake – Acute has been marked complete it will be located in Reports Notes > Nursing Documents.
Modify the Adult Intake – Acute

Step 1  Open the Adult Intake – Acute from the Nursing Communication mPage.

Step 2  Make the necessary changes and click Complete Adult Intake – Acute.
