Modify a Goal or Intervention if the duration needs to be adjusted.

**Step 1**
Select the **Document in Plan** tab to see all goals and interventions.

**Step 2**
Right-click on the **Goal/Intervention** and select **Modify**.

**Step 3**
Change the Outcome Duration/Unit as appropriate, then **Sign**.

**Step 4**
Refresh your screen. The new Target date/time will display for that Intervention/Goal.
